

Where psychology means business

Business Psychologists

New York & San Francisco

YSC is one of the world's leading business psychology companies. Every day we help organizations of all sizes get the most out of their people. We do this through individual and team assessment and development, executive coaching and organizational consulting.

Since 1990 we have been working with a diverse range of global clients. Our consultants, many of whom have significant industry experience, are among the most respected, pragmatic and knowledgeable individuals in the business. With offices in New York, San Francisco, Houston, Chicago, Mexico City, London, Edinburgh, Düsseldorf, Arnhem, Johannesburg, Sydney, Hong Kong and Mumbai, we service the needs of clients, large and small, across the world.

Our people have diverse backgrounds but all share educational excellence in psychology, mostly I/O and clinical. Whether you've worked inside a large corporation, as an independent consultant or for the government, what's essential for us is that you have industry experience and blend business savvy with great psychological insights. Our culture is built on great relations, collaboration, hard work, drive towards exceptional results and tolerance of ambiguity.

Due to increasing demand for our services, we are now looking to bring two senior consultants into the YSC Americas team. The openings are in our New York office in Manhattan and our San Francisco office.

Senior Consultant, New York Office

Salary: Up to \$145K depending on experience

You should have a proven track record managing clients/projects and building effective client relationships. In addition you should have 5+ year experience in:

- Deep psychological assessment of senior leaders and executives
